- Site Purchase Order No.: UDS 2021/0027  
Chemical Cleaning (Pickling) of HP Steam System

### Acknowledgement of proper work

**Thyssenkrupp Industrial Solutions AG** hereby confirms that **Jobtech Sp. z o.o.** provided services in the field of chemical cleaning on HP steam system at Anwil S.A. Toruńska 222.

- All work was done with attention to detail and with a very good result, especially considering that the system has been very complex.

The equipment and technicians assigned to the task showed great professionalism.

We are able to fully recommend Jobtech Sp. z o.o. as a reliable subcontractor. All of the jobs has been done with deadline, very good quality and with the especially care of HSE.

With kind regards  
**thyssenkrupp Industrial Solutions AG**
